dining UNITED.

When you dine, **participating restaurants** will donate a portion of your order to United Way's annual campaign. The money raised stays in the Itasca area to create a community that works for all. Donations are invested in programs providing greater access to education, health, financial stability, and basic human services.

To learn more about United Way of 1000 Lakes' work, impact, and how you can play your part, visit uwlakes.org or call **218-999-7570**.
