

Dear Community Members,

Thank you for your continued support of the Backpack Project. Alpha Delta Kappa (ADK) has teamed up with United Way of 1000 Lakes to support the back to school needs of Itasca Area students.

We know that each year, hundreds of children go back to school without the essential school supplies they need to succeed in the classroom. When children don't have the school supplies they need, they often disconnect in school, making it much harder to succeed academically.

We hope you will help by hosting a School Supply Drive, at your church, organization, civic group, or business.

Here's how to get started:

- **PREPARE YOUR SPACE.** Once you've picked the location for your drive, you should prepare for the incoming donations. Clear out space, set up boxes, and get organized so your drive can run smoothly.
- **GET THE WORD OUT.** Use the United Way Outreach Toolkit to let everyone know how they can help with your collection through flyers, emails, and social media.
- **TURN IN YOUR SUPPLIES:** Deliver to the United Way office or call 218-999-7570 to arrange a pick-up and we will get the items in the hands of local families.

Thank you for helping ensure kids have the tools they need to start the school ready to learn. For more information, visit United Way's website or call (218) 999-7570.

Sincerely,

Alpha Delta Kappa
Angie Berg
